*Energy & Systems Solutions*

## Michigan VISN 10 IDIA

### VISN 10

Indefinite Delivery Indefinite Quantity (IDIQ), Veterans Integrated Service Network-10 (VISN10), awarded ATIGROUP with a five year contract for all mechanical and electrical work. ATIGROUP will also be in charge of all interior renovation. We competed with 130 other proposals and we were 1 of 7 top picks. Amongst the 7 proposals picked, they divide 75 million dollars between us. This was all in November, 2017. As stated before, this is a five year contract and within those five years there will be multiple projects aligned for ATIGROUP to complete.
